O SUBSTANTIVO — ИМЯ СУЩЕСТВИТЕЛЬНОЕ

Na língua russa, os substantivos se modificam segundo o gênero, o número e o caso. Os gêneros gramaticais são três: o masculino, o feminino e o neutro. Os substantivos do gênero masculino e feminino designam objetos, pessoas, animais. Os substantivos do gênero neutro designam objetos (exceção única: **дѣтя**, a criança).

Em russo não existe artigo: assim **стол** (mesa) significa tanto "uma mesa" como "a mesa".

O gênero se determina pela terminação da palavra.

Do gênero masculino são os substantivos que terminam:

- 1.º Em consoante; ex.: **стол** (a mesa).
- 2.º Em **ъ**; ex.: **случай** (o acaso).
- 3.º Uma parte dos substantivos terminados em **ь**; ex.: **копь** (o cavalo).

Do gênero feminino são os substantivos que terminam:

- 1.º Em **а**, ex.: **стенá** a parede.
- 2.º Em **я**, ex.: **яблоня** a macieira.
- 3.º Uma parte dos substantivos terminados em **ь**; ex.: **тень** a sombra.

Do gênero neutro são os substantivos:

- 1.º Terminados em **о**, ex.: **окно** a janela.
- 2.º " " **е**, ex.: **море** o mar.
- 3.º " " **мя**, ex.: **время** o tempo.
